Mr. Ray Holst

Things I Believe--

That there is no substitute for thought.

That there is need for more inductive reasoning and less deductive reasoning.

That we must be mindful of the rights of others as well as the needs of others.

That friendship is not bought but earned.

That a person's success is determined more by the application of the abilities he has than by the native ability he possesses.

That initiative should always be recognized and rewarded.

That the Golden Rule will always be a good rule to live by.

That to be successful, it is necessary to have goals.

That most people use only a very small part of their native ability.

That civilization cannot exist long unless there is a belief in the Deity.

That all people are fundamentally honest and decent; it is only their sense of values that sometimes become distorted.

That everyone should practice introspection.

In Memoriam

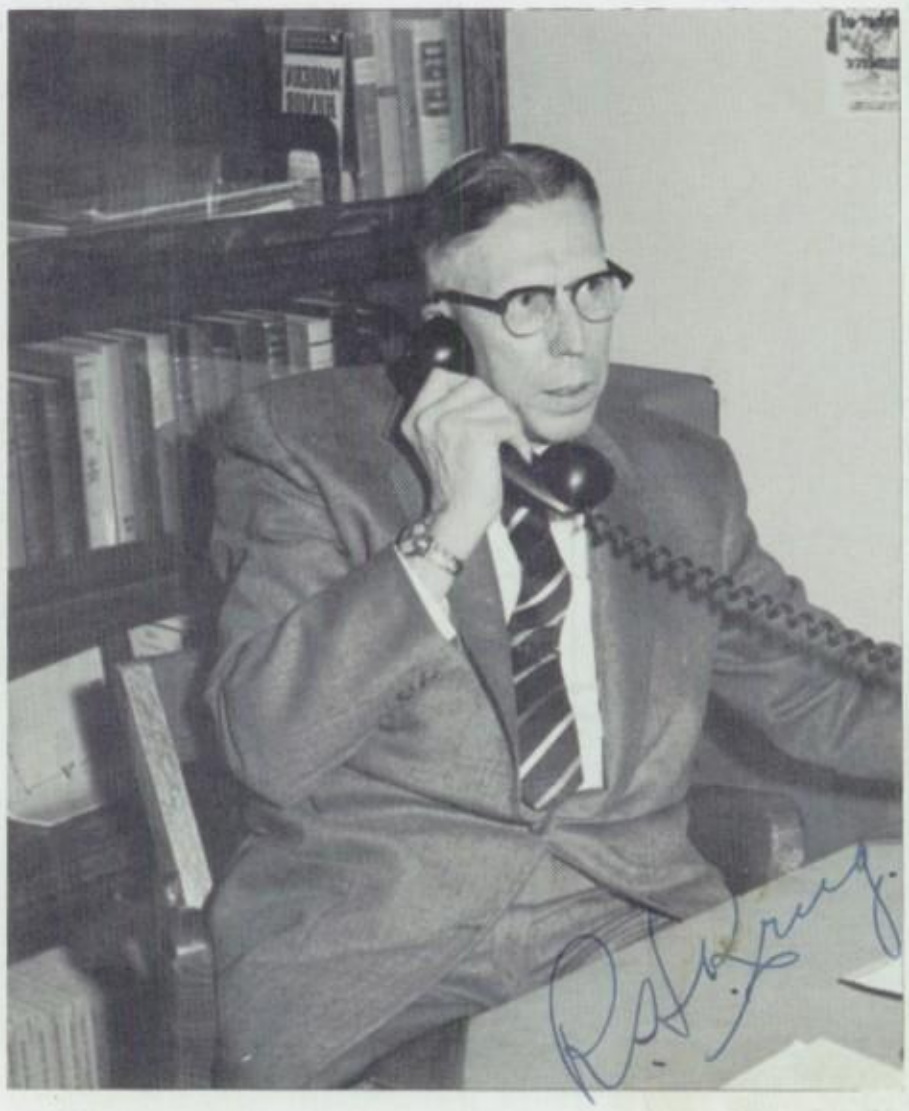
We, the staff of the Bear Log, wish to set aside this page as a memoriam to a well-known and highly respected member of the Deadwood High School faculty, who died early in January, 1959. Ray H. Holst was a man of fine character with a definite feeling of responsibility for the future of all young people with whom he came in contact. However, we feel that it is not our place here to laud and extol. We sincerely believe that Mr. Holst's "Faculty Speaks" column, published in the Bruin shortly before his death, brings out the magnitude of his thoughts and his true selflessness in a better way than we could do with our own words.

TWELVE YEAR STUDENTS: First row, left to right: Patsy Steinlicht, Julia Clark, Helen Pontius, Arlene Jacobson. Second row: Roana Merritt, Dave Roesler, Dave Curtis. Third row: Cal Minard, Charles Sederstrom, Adam Hudson. Fourth row: Mr. Krug and Mr. Berger, both of whom have been with these students through their entire course of study.

In 1928, Harry S. Berger came to the Deadwood Public School and assumed the post of superintendent, a position which he has held since that time. In the position of superintendent, Mr. Berger administers to and directs the school as a whole. He received his B.S. degree from Northeast Missouri State Teachers' College in Kirksville, Missouri and his M.A. degree from the University of Missouri in Columbia. He completed his graduate work at the University of Colorado in Boulder.

Administrative Officers of DHS

Robert H. Krug, principal of the Deadwood High School, came here in 1925. For two years after his arrival, he was the science and mathematics instructor in the high school and in 1927, he was given the high-school principalship. Since 1927, he has worked steadily at the job of raising the ethical standards of the students as well as improving their scholastic standards. He received his B.A. degree from North Central College in Naperville, Illinois and then went on to obtain his M.A. degree from the University of Wisconsin.



The Student Council is a true replica in miniature of the all-school governing body, the School Board. Presided over this year by president, Judy Cartner, the Council has accomplished several goals which will be of lasting interest to the school as a whole.

Perhaps the most important action taken by the Council this year was the decision to set up a memorial for the late Mr. Ray Holst who died suddenly in the early part of the month of January, 1959. Their drive for funds was a true success in every sense, and their goal of an annually awarded math trophy to the highest ranking math student in the high school is rapidly materializing.

Again this year, the Council presented the Code of Ethics to the students for their consideration and approval.

Aiding Judy Cartner this year in the administration of the Council were Steve Sibell, vice-president, Randy Latimer, Secretary, and Mr. Robert Krug, advisor.

Legislative Voice of DHS

The School Board, the governing body of Deadwood Public School as well as of Deadwood High School, had a full year of projects this year. The president, Elmer Pontius, led the Board into such actions as the revision of the teachers' salary schedule. The installation of a meeting room for the Board of Education on the first floor was one of the major projects which affected the Board most closely. They also instigated the re-decoration of the rooms on the second floor of the grade school building. The construction of a new bridge on the school grounds and replacement of the roofs on the building because of hail damage were two of the construction programs undertaken by the Board. Secretary "Bud" Coburn aided Mr. Pontius in administering to the Board and making possible a thoroughly successful year for both the school and the city.

Seniors

About to turn a new page in their book of life, the class of '59 looks back over its partially completed volume and finds it filled to the brim with numerous incidents of fun and accomplishment.

Starting with 69 members and dwindling down to 39, this class has been the smallest through its four years, but the effect it had on the school was anything but minor. The scholars and athletes of this class have given Deadwood High School many honors.

Leading the class through its four years of high school have been class presidents, Cal Minard, Patsy Steinlicht, David Roesler, and Charles Sederstrom.

Class homecoming queens were Arlene Jacobson-1955, Margie Lindstrom-1956, Julia Clark-1957, and Leatha Heinrich-1958 senior queen. Patty Whalen, All-School Queen and her attendants, Judy Cartner and Barbara Rachetto, reigned over 1958 Bear Day activities.

As juniors, the class very successfully presented "Maudie and the Opposite Sex" as their class play. The seniors chose "Tower Room Mystery" for their final production.

Another project of this class as juniors, was the prom and banquet which was very cleverly planned and won high commendation for its originality. The theme of the event was "Hernando's Hideaway."

Boys' State representative honors went to David Roesler and Stanley Hughes. Helen Pontius was chosen as the delegate to Girls' State and was also honored with the DAR Good Citizenship Award. Roana Merritt received the Betty Crocker Homemaker of Tomorrow award.

Four members of the class of '59 served as cheerleaders. They were Julia Clark, Patty Whalen, Margie Lindstrom, and Judy Cartner.

The seniors finish this chapter of their life and show signs of completing their life's story with just as happy an ending.

Juniors

Highlighting the Juniors' school year was the annual Junior-Senior Prom and Banquet, planned and sponsored by the Junior Class. The Oriental theme, "Teahouse of the August Moon," added much to the prom and banquet in the way of chop suey, Japanese Lanterns, and cherry trees in blossom.

The class of 51 students was led this year by John Fuhrmann, elected president at the beginning of the 1958-1959 school year. Also, at this time, John Fierro was elected Vice-President and Randy Latimer, Secretary-Treasurer.

Representing the Junior Class as their chosen queen for Bear Day activities was Susan Gilbert. The Junior float, "Sailing to Victory," took first place honors in the judging of the Bear Day parade floats.

The Junior Class representatives to the Student Council for this year were Steve Sibell and Randy Latimer.

Under the direction of Miss Mary Craig, the Junior Class presented the play, "Foot-loose," by Charles Burdette. Proclaimed an immense success by all, the play was one of the most enjoyable events for the Junior Class as a whole.

The year was a busy and a thoroughly enjoyable one for the class. Making next year as enjoyable is the aim of the students.

Bears Have Tough Season

The highlight of the football season was the Bears only victory over Lemmon. Their final record was 5 losses and 2 ties.

Deadwood opened the season by playing a scoreless tie with Upton. The following week the Bears traveled to Sturgis where they were defeated by the Scoopers 21-6.

The Bears turned in a victory over the Lemmon Cowboys in their next game. The final score was 19-0.

The Bears lost to Custer in their next game by the score of 14 to 0.

Then the Bears traveled to Spearfish for Spartan Day. The teams battled to a 6-6 tie. The Bears put on a goal line stand and stopped the Spartans just short of the goal line in the final seconds.

Homecoming Day, October 10, the Bears played the Broncs from Belle Fourche. It was a tight game, but Deadwood was defeated 13-12.

The next week, the Bears met their arch rivals, the Lead Golddiggers on the mountain top field in Lead. Lead shut out the Bears by the score of 25-0.

In the final game of the season, Deadwood was defeated by the Hot Springs. The final score: Hot Springs, 13; Deadwood, 7.

Well kids like it looks like you made it through another year. Take care of yourself this summer and have lots of fun. Love, Dave Mitchell

"A" Team Has 12 Wins, 11 Losses for a Fair Season

In his first year at Deadwood High School, Mr. David Strain coached the Deadwood Bear basketball team to a seven win, seven loss Black Hills Conference record and a tie for fourth place in the Conference standings. Paced by such stalwarts as Marlin Janas, "Pee Wee" and Johnny Fierro, Gary Marshall, Stan Hughes, Donnie Hansen, and Dick Neavill, the Bears completed the season with a twelve win, eleven loss record. The team, composed of seven seniors and five juniors, also presented Coach Strain with the consolation championship of the Belle Fourche Invitational Tourney and the championship of the Sturgis Invitational Tourney.

Band Works Diligently to Attain Perfection

Four members of Deadwood High School have been given chairs in the ninth annual All-State Band Concert to be held in Mitchell on April 3rd and 4th. This year Patsy Steinlicht, David Roesler, Tom Martin, and Steve Kent have the honor of playing in this fine band.

This is Patsy's second year to play in the band, and she will play sixth chair out of 18, in the cornet section. David will play eleventh chair cornet. Steve is third out of six tenor saxophones. Tom will play third out of ten baritones.

They are chosen on competitive auditions over the entire state. Eight hundred tried out, only 150 were selected.

"A" Band is an organization of 56 members. They are chosen on their ability to play concert music, experience and prior service in "B" Band. They play for concerts, football games out-of-town appearances, music festival, and anything else that they might be asked for. This year they put on, for the entire student body, a different type of concert. They called it the "Pop" Concert. It consisted of a variety of music, such as mambos, calypsos, sambas and rhumbas and marches. They hope to make this an annual affair.

Latin Students Organize "The Vot Discipulum"

For the first time in the history of Deadwood High School, an enthusiastic group of Latin students have been organized by their teacher, Mrs. Harry Nelson, into an active Latin Club. The Vox Discipulum Club (Voice of the pupils) composed of sixteen members, has had a busy first year. They hold two meetings a month, one in the evening and the other during a regular class period. In the early part of February, the Deadwood students journeyed to Sturgis as guests of the Societas Romana Club (Roman Society), the Sturgis High School Latin Club. The meeting was held in true Latin style, complete with togas, tunics, and a play presented by the Sturgis students.

The Vox Discipulum Club is an active member of the Junior Classical League sponsored by the American Classical League of Miami University in Oxford, Ohio, whose aim is: The members are to hand on the torch of classical civilization in the modern world. They believe an acquaintance with the civilization of Greece and Rome will help them understand and appraise this world of today, which is indebted to ancient civilization in its governments, laws, literatures, languages and arts.

Developing Fluency In Speech

The very controversial debate topic this year is "Resolved that the United States should adopt the Russian system of education."

The members of the 1958-59 debate squad attended all of the Black Hills Conference Debate Tournaments held at the various Hills' schools this season.

For the first time in a number of years the local squad were hosts and hostesses at a B. H. conference debate meet in Deadwood, which was attended by 10 schools and 179 speech students.

In February, Marki Newell, Nancy Ellis, Barbara Rich, Randy Latimer, Hannah Parker and Frank Hansen represented the school at a state N. F. L. tournament held in Aberdeen.

In April, John Fuhrmann, Roger Duke, Hannah Parker and Frank Hansen traveled to the state speech tournament in Huron, after qualifying in the district meet at Newell on March 18.

Squad members participating in other high school speech activities are as follows: Barbara Rich, Hannah Parker, Sue Curtis, Alyce Veitl, Robert Ruth, Original Oratory; Frank Hansen and Roger Duke, Extemporaneous Speaking.

Silence is not Always Golden

National Forensic League members find that talking can be profitable, in the form of NFL points granted for Debate, extemporaneous speaking, and declamation. Degrees that may be earned are merit, honor, excellence, and distinction. The picture below shows members who have earned degrees of merit. In addition, Randy Latimer, Hannah Parker, and Terry Tucker have earned degrees of honor.

Juniors Present: "Foot-loose" As Annual Production

On November 8, 1958, the Junior Class presented their production of the three-act comedy, "Foot-loose," by Charles Quimby Burdette.

The play revolves around the problems of a suburban banker, his wife, and their four all-American children.

John Fuhrmann and Carol Bender as the parents, Mr. and Mrs. Richard Early, have always been overly protective toward their children. Resenting it inwardly, the Early offspring talk their parents into leaving on a world cruise for the good of all concerned.

With the parents gone, things begin to happen. The oldest daughter, Hope, played by Randy Latimer, is forced to take over the supervision of the household when Delphie, the trusted maid, portrayed by Elizabeth Schlax, comes down with pneumonia and is taken to the hospital. Bill Wilson, in the role of the oldest son, Dick, marries without his parents' consent and brings his new wife, Ruth Hendrickson, home with him. Mary, the coquettish high-school senior, played by Betty Gnirk, falls madly in love with a designing college sophomore. And, too, the general confusion is increased when the football-playing son, Bob, portrayed by David Mitchell, is involved in an automobile accident and resulting cash settlement.

When the parents return from abroad, all the troubles are resolved as the oldest daughter is reconciled with her lawyer fiancee, the younger daughter returns to her high-school steady, the oldest son and his wife receive parental blessing, and the riotous son solves his legal difficulties.

The other members of the cast included Michael Stangle as Buzz Daly, Bob's chum, Steve Sibell as Randy, Mary's high-school sweetheart, Patricia Dahlberg as Miriam, Mary's friend, Frank Hansen as Jack Milford, the suave college lover, Chan Biggs in the role of Stanford Wells, Hope's lawyer friend, and Susan Gilbert as Mrs. Forester, a fancy-dressed, cranky old widow. The play was heralded by all as a "resounding success."

Back Row: Betty Gnirk, Elizabeth Schlax, Carol Bender, John Fuhrmann. Front Row: Steve Sibell, Chan Biggs.

Students Given Special Recognition

Randy Latimer

N. F. L. : Randy Latimer won second place at the state National Forensic League tournament held in Aberdeen February 26 and 27, in the Dramatic Interpretation division. She gave her original cutting from Tennessee William's play, The Glass Menagerie.

Randy also won third place in the poetry reading division with her reading of James Weldon Johnson's, "Go Down Death".

Boys' State: Dave Roesler and Stan Hughes have been selected to represent Deadwood at Boys' State held in Aberdeen on the Northern State Teachers' College campus. They were chosen by the faculty on their leadership both in the community and in school work. The students selected for this honor must rank in the top third of their class.

Stanley Hughes David Roesler

Helen Pontius

D. A. R. Citizenship Award: Helen Pontius was the recipient of this coveted award this year. This is an annual award given to a high school senior. The individuals are nominated by the Senior Class and selected by the high school faculty. Helen has also been chosen to represent Deadwood at Girls' State. She was chosen for this honor by the American Legion Auxiliary. The names of the top three students in the class are chosen by the high school faculty, and these names are submitted to the Auxiliary who select the individual they feel best qualified. Helen received a trip to Mitchell, South Dakota to attend the convention.

Awards and Honors

Ysidro Fierro

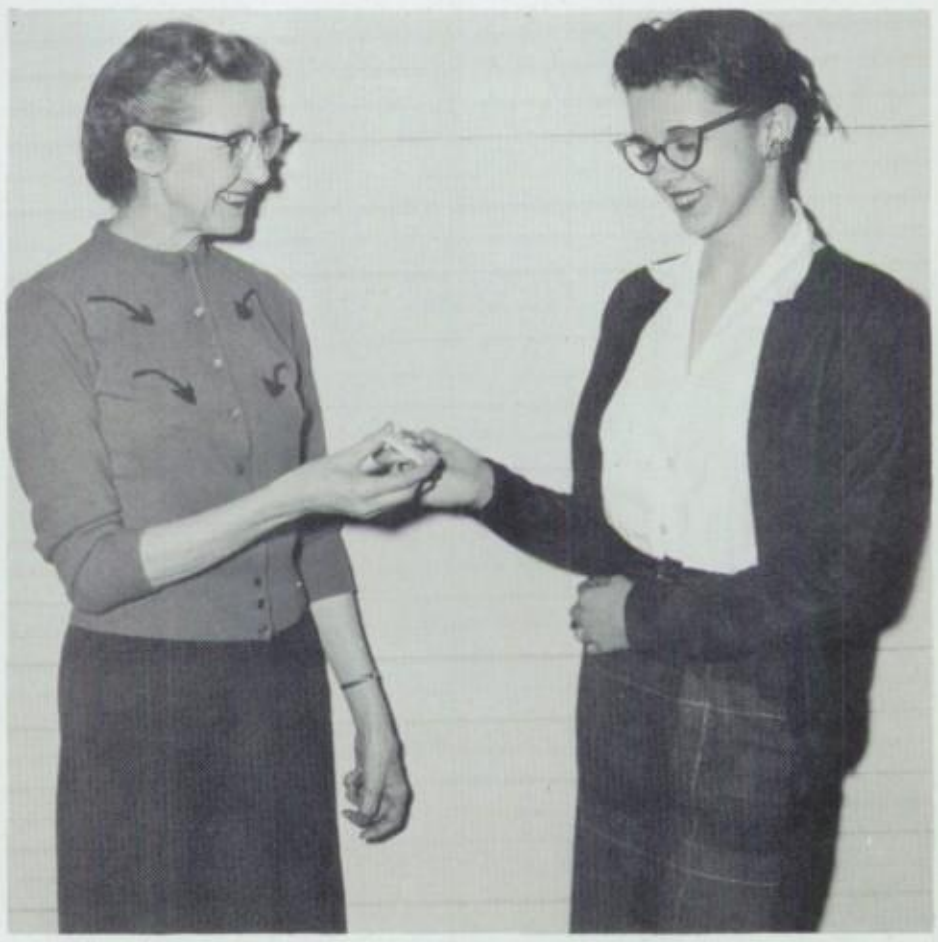
The TeddyRoberts' Football Award is presented annually to the player voted most valuable member of the squad by a twenty-two man squad. The voting squad is chosen by the coaching staff. They elect the boy who is the most valuable player on the basis of his ability both athletically and scholastically.

This year the coveted award went to Ysidro (Pee Wee) Fierro. Mr. Roberts accompanied Pee Wee on his expense paid trip to the Notre-Dame-Iowa game at Iowa City in November.

This year the proud receiver of the annual Betty Crocker Homemaker Award is Roana Merritt, a high school senior. Nearly 350,000 senior girls in 12,200 high schools took the examination, a test of homemaking knowledge and attitudes. A Betty Crocker homemaker of tomorrow was named in each school.

Roana will receive a Homemaker of tomorrow pin, a badge of honor, symbolizing that the "home is where the heart is."

All examination papers in the state will be compared, and a State Homemaker of Tomorrow will be named.



Miss Van Heuvelen

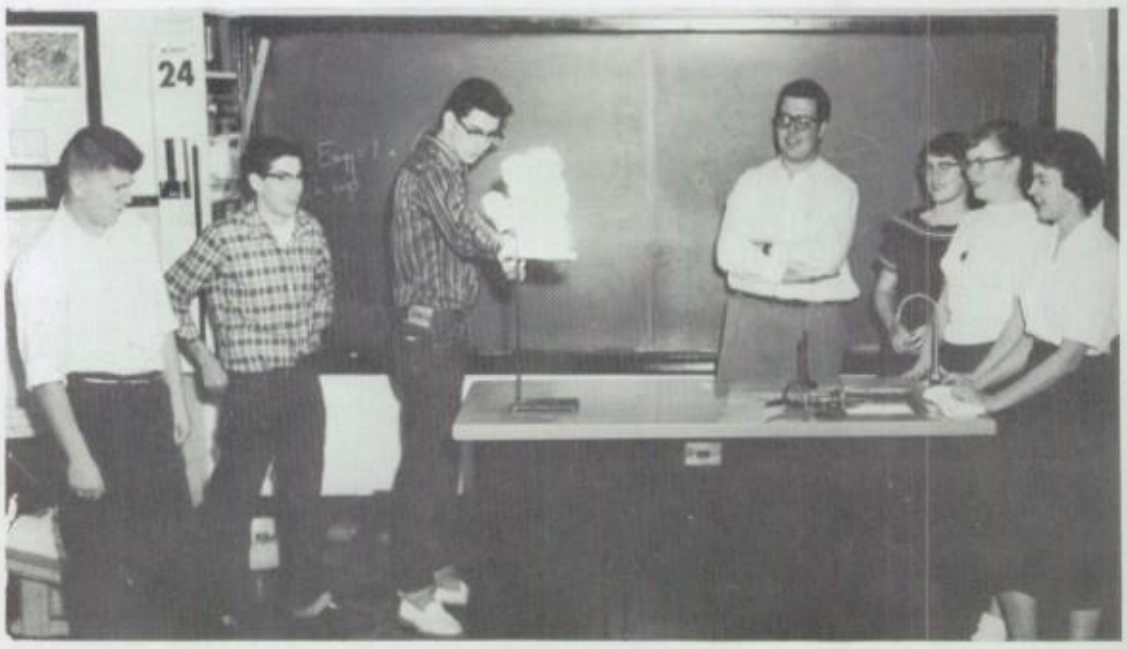
Club Stimulates Interest in Science



Left to Right: R. Dyvig, T. Plummer, H. Neubert, D. Curtis, H. Pontius, H. Parker, C. Bender.

The Science Club is a group of high school students who are interested in the fields of science and in developing more knowledge in that field. To develop this knowledge, the Science Club has undertaken different projects. One of these projects was the construction and use of a cloud chamber.

The meetings of the club were held twice monthly and included special talks by outside people and some movies. Some of the meetings were spent on the special projects taken up by the club as a whole.

One of the special meetings of the club was a trip to Spearfish to witness the College Science Club in action. Several ideas for the running and maintaining of a science club were obtained.

Several individual projects were attempted by members. Hans Neubert made a rocket which was taken to the Science Fair. Other members attended the fair, which was held on the campus of the School of Mines in Rapid City in April.

Coronation Highlights

Bear Day Activities

The Bear Day activities began at 2:00 in the afternoon on October 10th, as the entire school was excused to attend the coronation ceremony at the armory. It opened with the traditional processional march to the stage. Each class queen was escorted by her respective class president. The all school queen was accompanied by Harold Hicks, the co-captain for the evening's game with Belle Fourche.

Entertainment for the ceremony consisted of a solo presented by Cheryl Arends and a trumpet trio performed by Patsy Steinlicht, David Roesler, and Steve Sibell. Helen Pontius acted as Mistress of Ceremonies for the program.

The parade traveled down Main Street and then wound its way back through town, by way of the courthouse and ended up at the school.

In the evening, the Belle Fourche Broncs traveled to Deadwood to compete with the Bears on Ferguson Field. The all-school queen and her attendants were driven around the field during the half-time ceremonies, while the band and the majorettes contributed to the festivities. The annual burning of the "D" took place during the half-time period as well. The Bears lost to the Broncs by a score of 13 to 12 for a heart-breaking, but nonetheless rewarding finale to Bear Day, 1958.

Dear Roberta,

Hi in regards to you wanting me to write to you this summer, will do so! I sure have had fun with you this school year. Never forget my loud laughing at you in 2nd grade! (after all it was for your own good) yuk! yuk!

Never forget my birthday party. How could you after all that was the time I got wise to the fact that you were after my man! Ha! Why I should bust you now) I don't know! (Really though, I'm just teasing!, your really very nice) (take it from an expert!) O.K.? Say hi to your uncle for me - just kidding. Take care of Jim, for he's a nice kid! he, he, ho, ho, believe me, yuk! yuk!

Take it easy on the boys in Vermont, and find some good-looking boys for pen pals - (for me)!

(over)

Have fun this summer but leave the boys with some breathe! OK. Also be good and don't do any thing I wouldn't do (very. very. wide range.)

Love & stuff,
Rose Ann Class of (61.)

P.S.
Stay cute & friendly. Never lose that friendly smile! Just for me?

Roberta,
I will just say that the same thing Rose Ann says goes for me to. Good luck in the future. Stay as sweet as you are.

Love
Celia.

Dear Baby Barta,

Tus a little note to say hi. Remember the guy we fought over but I won. Anyway they say there's a guy for every girl. I only wish I could keep my four. You will meet a nice young guy someday. I hope you like your new home and I hope you meet new friends, I know you'll like moving to a different place, it's alot of fun. So here's luck to the gal on Forest street.

Your Pal
"Tex"
